Board Members,

Attached for your review in preparation for the 7/13/16 board meeting are the latest drafts of the Management Plan and Section E of the Engineer's Report which discusses Special and General Benefits and how they will be calculated in the coming renewal term.

Please note:

- The changes to the Management Plan are not substantive relative to the Plan for our current term.
- The methodology provided in Section E of the Engineer's Report is new. It is recommended that this 4 page section be reviewed in detail.
- At the Board meeting we will ask for the Board's approval that these documents reflect the terms of the renewal as agreed to by the Board:
  - o No change in boundaries.
  - o No change in zones.
  - o Cap 5% annual increases.
  - o Inclusion of a general benefit calculation.
- At the Board meeting we will ask for the Board's determination on proceeding with a 5 year or 10 year renewal term.

Thank you.
